

ACCESSING EVERFI'S REMOTE LEARNING COURSES

1. Click on or copy and paste the link to access Everfi's Remote Learning site.
<https://everfi.com/k-12/parent-remote-learning/>

2. Click "Get Access" or scroll down to "Find Your School and Register."

3. Register your student by selecting Iowa and then entering Davis or Van Buren. Options for all levels (elementary, middle and high school) will appear for both school districts. *Harmony is included in the Douds option.

4. Create a username and password. Some students may already have login information due to use during the school year. (Have an account but can't remember your password? If you have access to the email used to set up the account, passwords can be reset by clicking on "Already have an account? [Login](#)" on the registration page. Otherwise, you can create a new account.)

FUTURE GOALSSM Math Edition

Remote - Van Buren
Elementary Douds Attendance
Center - 101756 - 2019-2020

1-2 hr
Full Year 2019-2020

Future Goals - Math

Math & engineering concepts come to life through the fast-paced game of hockey. 4th - 7th grade students can explore real world applications of STEM through sports.

Future Goals - Math
